September 2024

What another amazing month we've had from Basil and crew farm to Jewlery making with Purple Robin, with much more exciting things to come next month.

FLOWER ARRANGING

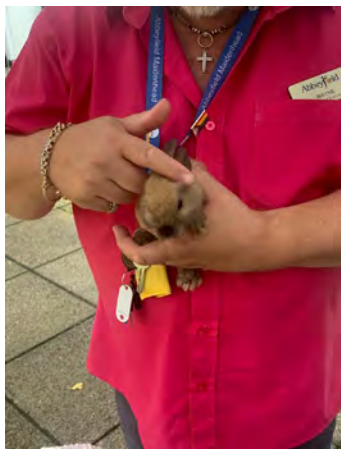

We always enjoy flower arranging once a month, all the flowers that the residents arrange are displayed around the home for all to enjoy.

BASIL AND CREW - FARM

We had a lovely visit from the farm, our residents got to meet Betty the sheep who was super cute; fluffy rabbits and little cute chicks. They also got to meet and hold lots of different reptiles and even a scary spider. All the residents had a wonderful day.

Check out the photo gallery on the next page... brace yourselves there are photos of spiders!

ARTS AND CRAFTS

Residents enjoyed decorating little trinket boxes with the activities team, we have got some very creative residents at Winton House.

JOSH SINGING

During a conversation with Josh, who leads chair-based exercises for our residents, we discovered that he once performed at Glastonbury! He kindly returned to sing for our residents, and they absolutely loved it.

NICHOLAS HOUSE SUMMER PARTY

Some of our residents and staff were invited to Nicholas House's Summer Party. they all enjoyed a lovely afternoon with a BBQ and entertainment from Terry Gleed.

See more photos in our Gallery.

PIANIST PAUL

Paul, the pianist, came in to entertain us and brought smiles to all the residents' faces.

He played a wonderful selection of songs that the residents loved singing along to.

PURPLE ROBIN CRAFTS

Andrea from Purple Robin visited our home and had a great time making different types of bracelets with our residents. The residents really enjoyed participating, designing their own bracelets, and choosing from a wide variety of colourful beads to wear.
