HELLO
February

This month we had the lovely, cuddly Barney from pet therapy to a pizza making day, with much more exciting things to come next month.

Pizza Day

This month residents enjoyed making pizza for Pizza Day, there were many different topping options for the residents to choose from, such as pepperoni, cheese, pineapple, peppers, ham and prawns. Yummy!

Purple Robin: Arts & Crafts

Arts and crafts is becoming one of our most popular activities at Winton House. This month for Purple Robin residents got express their creative side by making flower collages, every resident had their own amazing and unique ideas.

Pet Therapy: Barney makes a visit!

We had a visit from Pet Therapy, where residents got to interact with Barney giving him lots of cuddles. Barney always puts a smile on everyone's faces. Residents also got to give Barney loads of treats.

Everyone enjoyed having barney visit and can't wait for him to visit again.

Exercise Class with Paul

Residents enjoyed an exercise class with our new class leader, Paula.

As we get older exercise is an important part of life and we have the amazing Paula come in every month to run an exercise class for everyone to join in with.

Purple Robin: Arts & Crafts

This month for our Purple Robin sessions, residents enjoyed painting and decorating trinket boxes for Valentine's day. As you can see from the pictures, we have very creative residents, and all the trinket boxes are all decorated differently with our residents very own unique ideas.

Entertainment: Gary Allen

We had the amazing Gary Allen come and sing for us this month for Valentine's day. He sang some lovely songs that everyone enjoyed singing along with.

Puppet Show

Winton House's very own puppet show, where residents got to interact with all the puppets, they got to meet Elvis Presley, Louis Armstrong and many more! Everyone had a fantastic time, reminiscing and listening to songs from their past
